Dear Adm. *Stansfield* Turner,

On behalf of the U. S. Naval Academy Alumni Association it gives me a great deal of pleasure to welcome you on board as a Life Member.

Your interest in alumni affairs is deeply appreciated and we trust you will continue to take an active part in alumni matters. You might be interested to know that it has long been our policy to deposit all revenue from Life Membership fees in the Association Endowment Fund. Normally, all income generated by the Fund is reinvested so that it will grow even faster. Meanwhile, most of the Association's operating expenses are covered by annual dues received from regular members.

Since you will not be paying annual dues, we hope that you will be able to respond generously to our Annual Fund Drives in the future. This is our only other source for providing support to the Naval Academy in areas for which appropriated funds cannot be obtained, and for providing services to classes and chapters. Naturally all such donations are tax-deductible.

Enclosed is your Life Membership Card, and under separate cover we are mailing a Life Membership Certificate suitable for framing. Should you at any time mislay either, please let us know and we will be happy to send a replacement.

Please call on me if we at Alumni House can be of assistance to you, your class or chapter. Again our thanks for your support, and may you long enjoy your Life Membership.

Very sincerely yours,

Bill
W. S. BUSIK

*Congratulations -
and very best wishes!
I hope to see you in Annapolis.*
